

SECRET

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Officers

12 November 1981

NOTE FOR: C/NIC

FROM : NIO/GPF

SUBJECT : Foreign Military Developments

The Polish item remains our first choice for further examination. Other "what if" subjects might include:

- A Soviet proposal to withdraw all nuclear weapons from the NATO guidelines area.
- Neutralizing Central Europe by withdrawing all foreign military forces from the GDR, FRG and Czechoslovakia, thus creating an airstream-like neutral zone between East and West.
- The use of Greek facilities by Soviet naval forces (repair, port visits, bunkering, etc.).
- Limited Soviet punitive campaigns against Afghan sanctuaries in Pakistan.
